## ABOUT US

LINKRICH Machinery Group. Established in 2001, we are committed to the improvement and further innovation of professional kitchen equipment. With dedication in product manufacturing, semi-product processing, product marketing and merchandise export. LINKRICH has obtained ISO9001: 2008 quality system certification and developed competences in a wide range of world standard quality products, complete service and self-innovation. From mixers to ovens, cooking equipment to refrigeration, LINKRICH is the answer for all your kitchen equipment requirements.

### **Our Commitment and Principles**

#### **A Passion For Professional Equipment**

We are passionate about each and every piece of our equipment. Our highly trained technicians are constantly working to develop new and more efficient systems and processes. All our machinery either meet or exceed international standards.

#### **A long-term Approach For Our Products**

Each product purchased from LINKRICH comes with a long term commitment. We fully support all our machinery and back that up with warranties on all parts.

#### **Dedication to Self-innovation**

#### **Devotion to Customer Satisfaction**

LINKRICH values and respect our customer's needs and strives to exceed customer expectations. We aim to provide complete services in international trade to ensure complete satisfaction and convenience for each and every customer.

Gas Salamander 

Features

- Stainless steel construction
- Dual energy regulator control
- Top heat source only
- Easy-clean crumb tray & reflector
- Ideal for grilling, top toasting and finishing off ingredients such as cheese, mornays and toppings
- High quality control system of heating, durable, quality assurance

Model	Power (kW)	Capacity (L)	Dimensions (mm)	Net Weight (kg)

RG-16	10.3	63	700x380x300	880x440x620
RG-18	13.6	72	920x380x300	1100x440x620

EF Commercial Electric Countertop Deep Fryers

Features 

- Powerful countertop fryer with stainless steel lid
- Hygienic, safe and easy to clean
- Ideal for chips and countless other deep-fry fast-foods
- Adjustable thermostatic control
- Basket included
- Removable head
- Pan with handle for easy remove

Hot Water Urn 

Feature

- Adjust temper-ature with inner heating element.
- Heating element at the bottom with dry protection.  
Available in 10,15,20,30,40 litre sizes.
- Long life concealed elements allowing easy cleaning inside the urn.
- Stylish brushed finish stainless steel exterior.
- Sight-glass with cup capacity graduations.
- WB-A series its Composite-bottom.  
Boil dry-protection .

COMMERCIAL GAS RICE STEAMER

Widely used in factories, schools, institutions, military units, hotels, restaurants, etc., suitable for steamed rice, bread, buns, meat products, and can be used as multi-use tableware disinfection.  
 High quality stainless steel heat pipe , more efficiency and energy saving.  
 Airbag embedded multi-temperature silicone door seal.  
 Heat-resistant polyester double-layer structure rigid foam insulation layer, sealing strong, good insulation effect.  
 Accidental gas tuto turn off protection device ,Fire-tube heat exchangers, Automatic watering ,Over-temperature protection device, more safety.  
 LR-GRC Series its With fan pulse ignition , LR-GRC-A its cellular electronic ignition
